About Us

Solanki Refrigeration Engineers was established in the year **1987** in one of the major cities of Rajasthan, **Kota**. Being one of the eminent manufacturers of commercial kitchen equipment, we are engaged in offering an exclusive range of refrigeration and commercial kitchen equipment to our valued clients. Our range includes Refrigeration Equipment, Kitchen Equipment, Soda Fountain Machine, Bottle Cooler/Deep Freezer, Water Cooler and Display Counter. Our product range is fabricated using best material to offer an exceptional range of products to our esteemed clients. Our product range is sourced from the reliable vendors and made in compliance with the international norms of quality. These ensure hassle-free services even in adverse conditions. We are appreciated for superior quality along with instant services. We have a world-class infrastructure **installed with robust and latest machines**. Besides, we are involved in completing bulk goods within **the specified time**. We possess state-of-the-art infrastructure unit to **cater to the various demands of food and allied industries**. Owing to our specialized approach, we have been able to capture the whole Indian subcontinent market. To ensure proper management of our infrastructure unit, we have employed a team of experienced professionals, who are proficient in their respective domains. Owing to our dedicated and hardworking professionals, we have attained a...
